Microsoft Dynamics 365 Business Central App

## Advanced Sales & Purchase

Expand your sales and purchasing documents

With Advanced Sales & Purchase, sophisticated sales and purchase documents become child's play. This app is fully integrated into the KTC App product family, but also works independently.

Your benefits:

- Short text and long text in the documents with Rich Text Editor
- Multilingual, individual pre- and post-texts, e.g. for the inclusion of your general business relationships in the selected language of the offer
- Article bundle incl. bundle dimensions
- Item numbering
- Contingency items and requirement items
- Subtotals
- Suppress prices on documents
- Document description to find offers and orders quickly
- Incl. ready-made document set and additional sales information
