Microsoft Dynamics 365 Business Central App

ContractPlus

Manage your contracts directly in Business Central

With ContractPlus, you can keep track of your contracts and terms in Business Central and bill them automatically. Recurring sales and purchasing documents are created automatically and can be processed in batches.

Your benefits:

- ContractPlus is available in MS AppSource - with Support from Karlsruhe
- Manage your contracts directly from Business Central
- Invoice your contracts on the sales and purchasing side automatically via the system
- Automatic consideration of the remaining order backlog
- Automatic generation of sales and purchase invoices
- Automated recurring payment
- Contract monitoring with resubmission and responsibilities
- ContractBox in combination with the SharePointPlus App
- Keep track of contract terms and renewals
- Categorize your contracts and automate your processes
